1887.

PUBLIC LIBRARY

PROCEEDINGS

OF THE

LINNEAN SOCIETY OF NEW SOUTH WALES

LIST

OF THE

CONTRIBUTORS

FROM 1875 TO 1885,

With References to the Papers and Exhibits contributed by each.

ALLEYNE, HAYNES GIBBES, M.D., and WILLIAM MACLEAY, F.L.S.

	Vol.	Page
The Ichthyology of the 'Chevert' Expedition, Part I.	I,	261
The Ichthyology of the 'Chevert' Expedition, Part II.	I,	321

ARCHER, W. H.

Remarks based on a letter from Mr. Lloyd, concerning the desirability of establishing an Aquarium on the shores of Port Jackson	IV,	106

ASCHER, A. G.

Exhibition of a "Holy Dollar," and several "Dumps," and a copy of Governor Macquarie's Proclamation in reference thereto...	VIII,	281

27762

BAILEY, F.M., F.L.S., Corr. Mem. Linn. Soc. N.S.W., Government Botanist, Brisbane.

	Vol.	Page
A General Account of the Flora of Tropical Queensland	II,	276
On the Ferns of Queensland	III,	118
On some of the introduced Plants of Queensland	IV,	26
On a new species of Fern, *Asplenium Prenticei*	IV,	36
Medicinal Plants of Queensland	V.	1
On Queensland Ferns, with a description of two new species	V,	29
On a new species of *Nepenthes*	V,	185
On the Flora of Stradbroke Island, with a description of new species	VI,	139

BAILEY, F. M., F.L.S., &c., and the Rev. J. E. TENISON-WOODS, F.L.S., F.G.S., &c.

A Census of the Flora of Brisbane	IV,	137
On some of the Fungi of New South Wales and Queensland	V,	50

BAILEY, J. F.

Exhibition of Mollusca and Echinodermata from Cossack, W.A.	IX,	508

BELL, F. JEFFREY, M.A., Sec. R.M.S., Professor of Comparative Anatomy in King's College, London, Corr. Mem. Linn. Soc. N.S.W.

Notes on a Collection of Echinodermata from Australia	IX,	496

BENNETT, K. H.

	Vol.	Page
Notes on the habits of the Black-breasted Buzzard, *Gypoictinia melanosternon*, Gould	VI,	146
On the Breeding-Place of *Platalea flavipes* and *Ardea pacifica*	VII,	324
Exhibition of, and Remarks upon, the Nest and Eggs of the Ground-Graucalus (*Pteropodocys phasianella*)	VII,	348
On *Myoporum platycarpum*, a Resin-producing tree of the interior of New South Wales... ...	VII,	349
Exhibition of specimens of Spinifex, and of Skins and Eggs of the Mallee Hen (*Leipoa ocellata*)	VIII,	180
On the Habits of the Mallee Hen, *Leipoa ocellata*	VIII,	193
Notes on the method of obtaining Water from Eucalyptus Roots as practised by the natives of the country between the Lachlan and Darling Rivers	VIII,	213
Notes on the Habits &c., of Birds breeding in the interior of New South Wales (*Falco subniger* and *Glareola grallaria*)	X,	162
Remarks on the Decay of certain Species of Eucalypti	X,	453

BOYD, A.

Letter to the Hon. W. Macleay respecting Fijian Fossils	IV,	397

BRADLEY, H. H. BURTON.

The Araneides of the 'Chevert' Expedition. Pt. I.	I,	137
On some new forms of Arachnidæ	I,	220

Bradley, H. H. Burton *(continued)*.

	Vol.	Page
On a new Genus of Arachnidæ	I,	240
The Araneides of the 'Chevert' Expedition. Part II.	II,	115

Brazier, John, C.M.Z.S., &c.

Descriptions of fourteen new Species of Mollusca from Australia and the Solomon Islands	I,	1
Descriptions of eight Species of Australian and Tasmanian Land and Fresh-water Shells	I,	17
Exhibition of Native Food from the Marshall Islands, and of two Fungi from the Loyalty Islands	I,	20
Exhibition of six rare species of *Cypræa* from Darnley Island, and of a new *Helix* from New Guinea	I,	44
Descriptions of two new Species of Australian Land Shells...	I,	97
Descriptions of thirty-five new Species of Land Shells from New Guinea, Australia, and Islands in Torres Straits, collected during the 'Chevert' Expedition	I,	98
List of Land Shells collected during the 'Chevert' Expedition	I,	117
Description of a new *Pupina* collected during the 'Chevert' Expedition	I,	136
A list of the Pleurotomidæ collected during the 'Chevert' Expedition, with the description of the new Species...	I,	151
List of Marine Shells, with descriptions of the new Species, collected during the 'Chevert' Expedition. Part I.	I,	169

BRAZIER, JOHN, C.M.Z.S., &c. *(continued)*.

	Vol.	Page
Shells collected during the 'Chevert' Expedition. Part II.	I,	199
Shells collected during the 'Chevert' Expedition. Part III.	I,	224
Shells collected during the 'Chevert' Expedition, with descriptions of the new Species. Part IV...	I,	249
Exhibition of Eggs of a *Porphyrio* from the Loyalty Islands	I,	283
Continuation of the Mollusca of the 'Chevert' Expedition, with new Species. Part V.... ...	I,	283
Notes on *Lævicardium Beechei*	I,	306
Shells collected during the 'Chevert' Expedition. Part VI.	I,	311
Continuation of the Mollusca of the 'Chevert' Expedition. Part VII.	I,	362
Continuation of the Mollusca of the 'Chevert' Expedition. Part VIII.	II,	1
Description of a new *Murex* collected at Port Darwin, by Mr. W. Bednall	II,	6
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part IX.	II,	20
Description of three new Species of Shells from Australia and New Guinea	II,	25
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part X.	II,	41
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XI.	II,	46
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XII.	II,	55

Brazier, John, C.M.Z.S., &c. *(continued).*

	Vol.	Page
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XIII.	II,	74
Description of two new Species of *Helix* from New Guinea and the Louisiade Islands	II,	120
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XIV.	II,	128
Exhibition of specimens of *Haliotis canaliculata*, and *Tellina perna* from Port Jackson, the former hitherto unknown from this locality	II,	142
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XV.	II,	143
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XVI.	II,	368
Notes and Remarks on Mollusca recently found in Port Jackson and New Caledonia	II,	369
Exhibition of, and Remarks upon, a Collection of deformed Sterna of Domestic Fowls	III,	21
Description of seven new Species of Terrestrial and Marine Shells from Australia	III,	77
Exhibition of a new *Helix* from Port Moresby, and of a Holothurian from Port Jackson... ...	III,	122
Continuation of the Mollusca collected during the 'Chevert' Expedition. Part XVII.	III,	155
Exhibition of rare Shells from North America...	III,	160
Description of a new Species of *Vivipara* ...	III,	221
Exhibition of Shells from the West Indies and South America	III,	305
Exhibition of a Fossil Shell from Algiers ; and of a specimen of *Spondylus* from Port Jackson ...	IV,	107

BRAZIER, JOHN, C.M.Z.S., &c. *(continued).*

	VOL.	PAGE
Exhibition of *Necera latesulcata* (Woods) from the Heads, also Species of Corals from Port Jackson	IV,	292
Note on the Spawn and Young of *Limnæa* found on a leaf in a fresh-water stream near Parramatta	IV,	292
Exhibition of Shells from Isle of Pines and New Caledonia	IV,	356
Synonymy of, and Remarks upon, Port Jackson, New Caledonian, and other Shells, with their Distribution	IV,	388
List of Land Shells found on Thursday Island, with descriptions of the new Species	IV,	392
Exhibition of Shells from New Caledonia, and America	IV,	398
List of Brachiopoda or Lamp Shells found in Port Jackson and on the coast of New South Wales	IV,	399
Exhibition of Mollusca from Port Jackson, Lifou, and California	IV,	409
Tropical Mollusca recently dredged at Port Jackson Heads	IV,	428
Note on *Oniscia ponderosa*, with its locality ...	IV,	431
Exhibition of specimens of *Voluta Angasi* from Port Lincoln, S.A., and of two Varieties of it from Bass's Straits and Barren Island	IV,	463
Exhibition of a specimen of *Chione calophylla* containing a small pearl	IV,	471
Notes on a new variety of *Bulimus Caledonicus*	V,	190

BRAZIER, JOHN, C.M.Z.S., &c. *(continued).*

	VOL.	PAGE
Exhibition of specimens of *Helix pomatia*, *H. aperta*, and *H. melanostoma* with the apertures closed by a thin membrane of animal matter; thirteen Species of Mollusca from France; and *Voluta deliciosa* from New Caledonia	V,	300
Notes on Shells from the Solomon Islands and Australia	V,	444
Exhibition of a large Tick (*Ricinus*) from *Echidna hystrix;* also Fossils (*Phyllotheca*) from Rookwood	V,	458
Notes on a new Variety of *Helix Palmensis* ...	V,	458
Exhibition of Mollusca from several localities...	V,	469
Notes on recent Mollusca found in Port Jackson and on the coast of New South Wales and other localities, with their Synonyms	V,	481
Exhibition of specimens of *Lepralia* from Port Jackson	V,	495
List of Species of *Porcellana* or *Cypræa* found in Moreton Bay, Queensland	V,	496
Exhibition of specimens of a *Filaria* taken from imported salt Herrings	V,	629
Remarks on some recently redescribed Australian Shells	V,	630
Exhibition of *Helix Goldei* and *H. Hundsteini* from New Guinea; also specimens of three Species of Sea Birds, and of Marine Shells, all of which were recently to be picked up in numbers on the various beaches along the coast	V,	637
Remarks on *Megapodius Brazieri*	VI,	150

BRAZIER, JOHN, C.M.Z.S., &c. *(continued).*

	VOL.	PAGE
Exhibition of *Ancylus Cunninghami*, and a supposed new Species of *Gundalucnia* from Tasmania	VI,	170
Exhibition of a specimen of *Voluta mammilla* from Tasmania	VI,	196
Exhibition of, and Remarks upon, a rare *Helix* from the Travertine of Kent's Group	VI,	197
Note on a specimen of malformed *Cyprœa* ...	VI,	202
Exhibition of a Tortoise with two heads; also (for Mr. Rossiter) of a malformed *Cyprœa poraria* from New Caledonia, and (for Professor Tate) *Columbella bidentata*, and *Paludina gramma* from S. and W. Australia	VI,	408
Synonymy of, and Remarks upon, two Australian Species of *Melania*...	VI,	551
Exhibition of specimens of *Astreopora* and *Dolium* from Port Jackson	VI,	581
Description of a new *Bulimus* from New Caledonia	VI,	586
Note on *Limopsis Loringi* found on the Coast of N.S.W.	VI,	789
Exhibition of African Shells, and Bryozoa from Naples	VI,	790
Exhibition of a fine Collection of specimens of the Genus *Cyprœa*	VI,	836
Remarks on some Fluviatile Shells of New South Wales	VII,	83

BRAZIER, JOHN, C.M.Z.S., &c. *(continued).*

	Vol.	Page
Exhibition of (on behalf of Mr. Bailey, of Melbourne,) a reversed specimen of *Triton quoyi*, Reeve ; also *Bulimus loyaltyensis*, from Mare, Loyalty Islands	VII,	91
A list of Cypræidæ found on the Victorian Coast, collected by Mr. J. F. Bailey	VII,	117
Note on *Bulimus Gunni*	VII,	121
Exhibition of several specimens of *Cypræa*, and other Mollusca, received from Mr. J. F. Bailey of Melbourne	VII,	134
Exhibition of specimens of *Bulimus Rossiteri*, and *Partula Layardi*	VII,	206
Habitat of *Cypræa citrina* of Gray	VII,	322
Exhibition of specimens of a new Genus of Mollusca from New Guinea, proposed to be called *Braziera typica*	VIII,	35
Synonymy of Australian and Polynesian Land and Marine Mollusca	VIII,	224
Localities of some Species of recent Polynesian Mollusca	VIII,	294
Exhibition (on behalf of Mr. Bailey) of a specimen of *Bulimus acutus*, Mull., introduced into Victoria from France	VIII,	388
Exhibition (on behalf of Mr. Bailey) of specimens of Mollusca, Carnelian, and Fossil Bryozoa from Gippsland	VIII,	442
Exhibition (on behalf of Mr. Bailey) of *Cypræa contusa*, McCoy, from Eocene limestone, Victoria	VIII,	465

BRAZIER, JOHN, C.M.Z.S., &c. *(continued).*

	VOL.	PAGE
Exhibition of a specimen of *Bulimus auris-vulpina* from St. Helena	IX,	509
Critical List of Mollusca from North-West Coast of Australia	IX,	793
Synonymy of some Land Mollusca from Papua or New Guinea	IX,	804
List of some recent Shells found in layers of Clay on the Maclay Coast, New Guinea	IX,	988
Exhibition of a specimen of *Trigonia Lamarckii* from Port Jackson, containing a Pearl	IX,	1016
Synonymy of, and Remarks upon, the Specific Names and Authorities of four Species of Australian Marine Shells, originally described by Dr. John Edward Gray in 1825 and 1827	X,	85
Exhibition of specimens of Australian Cephalopods and Chitons	X,	341
Exhibition of rare Shells from New Zealand; also of two specimens of *Astreopora* from Garden Island, Port Jackson	X,	449
Exhibition of a specimen of a new Species of *Minyas* from the N. W. Coast of Australia ...	X,	553
Exhibition of a Shell which broke to pieces through the heat of the weather	X,	695
Description of a new Species of *Onchidium* ...	X,	729
New Species of Land and Fresh-water Mollusca from Maclay-Coast and Triton Bay, New Guinea, collected by Baron Maclay	X,	841

BRAZIER, JOHN, C.M.Z.S., &c., and Professor TATE, F.G.S., &c.

	Vol.	Page
Check-List of the Fresh-water Shells of Australia	VI,	552

CALDWELL, W. H., B.A.

Exhibition of specimens showing various stages in the Development of Monotremes	IX,	1205

CASTELNAU, Count F. DE, Consul General of France.

New or little known Species of Australian Fishes	II,	225
Notes on the Fishes of the Norman River ...	III,	41
On several new Australian (chiefly) Fresh-water Fishes	III,	140
On a new Ganoid Fish from Queensland ...	III,	164
Essay on the Ichthyology of Port Jackson ...	III,	347

CASTELNAU, LE COMTE DE, Consul Général de France, Melbourne ; and E. PIERSON RAMSAY, F.L.S., Curator of the Australian Museum, Sydney.

Notes on a collection of Birds from the Norman River, Gulf of Carpentaria, with descriptions of some new Species	I,	379

CHILTON, CHARLES, M.A.

On a marine Species of *Philougria*	IX,	463
Notes on a few Australian Edriophthalmata ...	IX,	1035

Cox, James C., M.D., F.L.S., &c.

	Vol.	Page
On the Stone Implements of Australia and the South Sea Islands	I,	21
Exhibition of Mollusca from Port Jackson ...	II,	122
Drawings by Australian Aborigines	III,	155
On two new Species of *Helix* from the Louisiade Archipelago...	IV,	114
Exhibition of a specimen of *Turbinaria crater*; also of the flower of *Hœmanthus tigrinus*... ...	IV,	116
Exhibition of specimens of "Vegetable Caterpillars" from the Kurrajong	IV,	312
Notes on the Genus *Cyprœa*	IV,	385
Exhibition of *Ovulum gigas* from Victoria; also of remarkable Oranges and Lemons	IV,	387
Exhibition of teeth of *Diprotodon* from near Boggabri; and of Ethnological specimens from New Zealand	IV,	408
Exhibition of specimens of *Astacopsis* and *Galaxias* from Mt. Wilson	IV,	471
Exhibition of living specimens of *Astacopsis* from Mt. Wilson...	V,	105
Exhibition of Lizard Eggs embedded in a portion of a White Ants' Nest; also of a specimen of *Mylitta australis*	V,	192
Exhibition of, and Remarks upon, eight Stone Axes from Castlereagh, near Penrith	V,	271
Notes on the Moore Park Borings	V,	273
Notes on some of the Habits and Customs of Australian Natives in Queensland	V,	633

Cox, James C., M.D., F.L.S., &c. *(continued).*

	Vol.	Page
Remarks contradicting a statement said to have been made by Mr. Skuthorpe to the effect that he had seen Half-caste Natives amongst the tribes on the Herbert River, Northern Queensland ...	V,	636
Exhibition of Native Weapons and Implements from the Cloncurry River	V,	637
Exhibition of Fossil Fruits from a Gold-mine near Orange	VI,	196
Remarks on the occurrence of *Leucosia splendida*, Hasw., in the Tweed River	VI,	197
Exhibition of a specimen of *Cypræa princeps* from Warrior Reef; also of Ethnological specimens from the Solomon Islands and New Zealand ...	VI,	539
On the Nomenclature and Distribution of the Genus *Pythia*, Bolton	VI,	587
Exhibition of an albino specimen of *Platycercus pallidiceps*	VI,	729
Australian Octopodidæ	VI,	773
Exhibition of Axes from the Caroline Islands; also (on behalf of Mr. Gilliatt) of some Stone Axes and Fossils from the Darling	VI,	790
Remarks on the construction of Hairy Balls frequently to be found on sea-beaches, and supposed to be the castings of Sharks or Rays	VI,	790
Exhibition of Ethnological specimens from the South Sea Islands	VI,	836
Exhibition of, and Remarks on, a Bowl from San Christoval Island	VI,	846
Presidential Address (January 25th, 1882) ...	VI,	847

Cox, James C., M.D., F.L.S., &c. *(continued).*

	Vol.	Page
Exhibition of, and Remarks upon, the Club of a Chief of Malanta Island, Solomon Group ...	VII,	65
Exhibition of, and Remarks upon, specimens of a Moth of the Family Lithosiadæ...	VII,	91
On the Edible Oysters found on the Australian and neighbouring Coasts. Part I.	VII,	122
Exhibition of, and Remarks upon, a large Block of Wood from a shaft sunk at Penrith	VII,	134
Exhibition of, and Remarks upon, a specimen of *Latirus Strangei* of A. Adams, from Bulli; also of Fossil Nuts and Seeds, and a Stone Hatchet from Orange	VII,	328
On the Edible Oysters found on the Australian and neighbouring Coasts. Part II.	VII,	555
Exhibition of, and Remarks upon, Samples of Oysters from Swan Bay	VII,	560
Presidential Address (January 31st, 1883) ...	VII,	675
Exhibition of, and Remarks upon, a large Ironstone Nodule from Liverpool Plains; also a remarkable Blenny from Broken Bay	VIII,	417
Exhibition of, and Remarks upon, a specimen of *Conus nodulosus* probably from Western Australia; also of a specimen of *Conus abbas*...	VIII,	441
Exhibition of "Water-stones" from Beechworth	VIII,	441
Exhibition of, and Remarks upon, a rare form of *Cypræa Lynx* of Linn.	VIII,	442
Exhibition of deformed Eggs; also of three Cocoons of a Silkworm of the Genus *Attacus*, and a Gall of a *Coccus*, from North Shore	VIII,	442

Cox, James C., M.D., F.L.S., &c. (*continued*).

	Vol.	Page
Exhibition of a Rabbit's Skull with enormously developed incisors	VIII,	464
Exhibition of Encrinite Stems from Camboon, Dawson River	VIII,	464
Dimensions of some gigantic Land-Tortoises ..	VIII,	531
Exhibition of a Collection of Ethnological specimens obtained by Mr. B. Hinde, R.N., on the S.E. Coast of New Guinea	VIII,	534
Remarks calling attention to a magnificent addition to the Society's Library, received from the Malacological Society of Belgium...	IX,	386
Exhibition of, and Remarks upon, a Cluster of Mud Oysters from Twofold Bay	IX,	508
Exhibition of, and Remarks upon, a rare Shell, *Latiaxis Mawæ*, Gray	IX,	682
Exhibition of a Collection of Fibres from Trees growing in the Northern River Districts of this Colony; also of specimens of *Helix Angasiana* from the Barrier Ranges, and of a new Land Shell from New Britain	IX,	946
Exhibition of Mushrooms grown at Potts' Point on an artificial bed...	IX,	1206
Exhibition of a specimen of *Eriostemon Coxii*, von Müll., from the Clyde River	IX,	1206
Exhibition of, and Remarks on, specimens of *Ostræa edulis* from Port Jackson	X,	75
Exhibition of a remarkable Plant; and of a Femur of *Dinornis robustus*, from New Zealand...	X.	76

Cox, James C., M.D., F.L.S., &c. *(continued).*

	Vol.	Page
Exhibition of an Ironstone Nodule; also of a specimen of a very large Cephalopod	X,	189
Remarks on some Shells exhibited by Mr. Wilkinson	X,	245
Observations on the Migrations of certain Fishes	X,	343
Exhibition of a Cup made from the Cocoanut	X,	448
Exhibition of Bones and Fossils from the Hunter district	X,	853

Curran, Rev. J. Milne, F.G.S.

Exhibition of specimens and photographs of Fossil Plants from near Dubbo; also of specimens of a Coccus infesting a *Casuarina.*	VIII,	297
On some Fossil Plants from Dubbo, N.S.W. ...	IX,	250
Exhibition of Fossils from Ballimore, and Mudgee	IX,	864
The Geology of Dubbo	X,	170
Notes on the Geology and Water Supply of the Interior of N.S.W....	X,	233
Exhibition of specimens illustrative of the Geology of Dubbo	X,	247

Deane, Henry, M.A., C.E.

Exhibition of Sandstone with burrows supposed to have been made by Hymenoptera	VIII,	298
Exhibition of a collection of Rocks from the Railway line between Gunnedah and Narrabri ...	VIII,	386
Exhibition of a sample of Water from a Mineral Spring at Ryde	IX,	179

DEANE, HENRY, M.A., C.E. *(continued).*

	Vol.	Page
Exhibition of a Gall from a Eucalypt	IX,	386
Exhibition of a Caterpillar Fungus from New Zealand	IX,	508

DE VIS, CHAS. W., M.A., Corr. Mem. Linn. Soc. N.S.W., Curator of the Queensland Museum.

Descriptions of three new Fishes of Queensland	VII,	318
Description of a Species of Squill from Moreton Bay	VII,	321
Descriptions of some new Queensland Fishes ...	VII,	367
Description of two new Birds of Queensland ...	VII,	561
Description of a new *Belideus* from Northern Queensland	VII,	619
Description of two new Queensland Fishes ...	VII,	620
On Remains of an extinct Marsupial	VIII,	11
On Tooth-marked Bones of extinct Marsupials	VIII,	187
On *Brachalletes Palmeri*, an extinct Marsupial	VIII,	190
Notes on a Lower Jaw of *Palorchestes Azael* ...	VIII,	221
Descriptions of new Genera and Species of Australian Fishes	VIII,	283
Myology of *Chlamydosaurus Kingii*	VIII,	300
On a Fossil Calvaria	VIII,	392
On a Fossil Humerus	VIII,	404
Fishes from South Sea Islands	VIII,	445
On some new Batrachians from Queensland ...	IX,	65
New Australian Fishes in the Queensland Museum. Part 1.	IX,	389

De Vis, Chas. W., M.A., Curator of the Queensland Museum *(continued)*.

	Vol.	Page
New Australian Fishes in the Queensland Museum. Part II.	IX,	453
New Australian Fishes in the Queensland Museum. Part III.	IX,	537
New Australian Fishes in the Queensland Museum. Part IV.	IX,	685
New Australian Fishes in the Queensland Museum. Part V....	IX,	869

Dixson, Thomas, M.B., Ch. M.

Note upon the Bark of a reputed Ecbolic Plant from New Caledonia	VII,	114
Exhibition of Preparations shewing the Bacillus of Typhoid Fever, and other Bacteria	VII,	303

Edelfelt, E. G.

Exhibition of a Bag made by the Natives of New Guinea from the fibres of a Species of *Morus* ...	X,	126

Ewan, John F., M.B., Ch. M.

Exhibition of rare Chemicals, and of the Kino of *Eucalyptus globulus* from Tasmania	VII,	328

Fitzgerald, R. D., F.L.S.

Exhibition of Drawings of Fossil Bones from Lord Howe Island	IX,	1206

FLETCHER, J. J., M.A., B.Sc.

	Vol.	Page
On the existence after parturition of a direct communication between the median vaginal cul-de-sac so-called, and the urogenital canal in certain Species of Kangaroos	VI,	796
On some points in the anatomy of the urogenital organs in females of certain Species of Kangaroos Part I.	VII,	640
On some points in the anatomy of the urogenital organs in females of certain Species of Kangaroos. Part II.	VIII,	6
Note on a Viviparous Lizard *(Hinulia elegans)*	VIII,	215
Exhibition of specimens of a large Earthworm from Burrawang, N.S.W. ... ... VIII, 218	IX,	681
Exhibition of, and Remarks upon, specimens of a Parasitic Worm *(Filaria Macropi-majoris)* from the knee-joints of Kangaroos	VIII,	388
Catalogue of Papers and Works relating to the Mammalian Orders Marsupialia and Monotremata	IX,	809
Exhibition of, and Remarks upon, the young Tadpoles of *Pseudophryne bibronii*	X,	342

GILLIATT, HARRY A.

Exhibition of a collection of Cretaceous Fossils from the Mt. Brown diggings	VIII,	218
Some Remarks on the Action of Tannin on Infusoria	VIII,	383
Exhibition of a specimen of Salt from the Holy-box Well, about midway between the Darling and Lachlan Rivers	VIII,	443

GILLIATT, HARRY A. *(continued).*

	Vol.	Page
Exhibition of specimens of Vegetable Matter encrusted with Lime, from the Tarribar Spring, Liverpool Plains	IX,	508
Exhibition of a Stone Implement found near Wilcannia, and supposed to have been used in crushing the Nardoo Seed	IX,	946

GRIFFIN, J. G., C.E.

Exhibition of two samples of Gravel from the Interior	VIII,	398
Exhibition of, and Remarks upon, some Native Stone Implements from N.S.W.	VIII,	442
Exhibition of Oyster and other Shells from a cutting near Melbourne, and from the shaft of the Maryville Colliery, Newcastle	IX,	1015

GUPPY, H. B., M.B., R.N., H.M.S. 'Lark.'

Note on the Cocoanut-eating Habit of the *Birgus* in the Solomon Group	VII,	661
Suggestions as to the mode of formation of Barrier Reefs in Bougainville Straits, Solomon Group	IX,	949

HAMILTON, ALEX. G.

On the Fertilization of *Goodenia hederacea*, Sm.	X,	157

HARRISON, LAYMAN M.

Exhibition of a Leg Bone of a Bullock, which had re-united in a remarkable manner after fracture	IX,	1016

Haswell, William A., M.A., B.Sc., Edin., Lecturer in Zoology and Comparative Anatomy, Sydney University.

	Vol.	Page
On six new Species of Annelids belonging to the Family Amphinomidæ...	III,	341
On two new Species of Crabs of the Genus *Stenorhynchus*	III,	408
Notes on the Anatomy of Birds. I.—The Brachial Plexus of Birds	III,	409
On the Australian Species of *Penæus* in the Macleay Museum, Sydney...	IV,	38
Contributions to a Monograph of Australian Leucosiidæ	IV,	44
On Australian Amphipoda	IV,	245
Note on the *Phyllosoma* Stage of *Ibacus Peronii*, Leach	IV,	280
Notes on the Anatomy of Birds. II.—The Lumbar and Sacral Plexuses of Nerves. III.—The Myological Characters of the Columbidæ ...	IV,	303
On some additional new Genera and Species of Amphipodous Crustaceans...	IV,	319
On the Cyclostomatous Polyzoa of Port Jackson and neighbourhood	IV,	350

Plagiostomata of the Pacific. Part III. ...	X,	673

MCMAHON, PATRICK.

Exhibition of a Section of a Maryborough Pine in which a stone was embedded	VI,	408
Exhibition of Amethyst from Twofold Bay ...	IX,	443
Exhibition of a Fragment of a Fossil Tree from Nobbys, Newcastle; and of a sample of White Wood from Queensland	IX,	865
Exhibition of specimens of Micaceous Sandstone from North Shore	X,	448

MANNING, Rev. J. N., M.A.

Exhibition of a Fossil Fish from the Wianamatta Shales at Cook's River	X,	553

MASTERS, GEORGE, Curator of the Macleay Museum, Sydney.

	Vol.	Page
Zoology of the 'Chevert.'—Ornithology. Part I.	I.	44
Exhibition of, and Remarks upon, the Nests of *Geobasileus reguloides*, *G. chrysorrhous*, and *Gerygone albogularis*	I,	361
Exhibition of, and Remarks upon, the skull of an Aboriginal Female	II,	30
On *Bruchigavia longirostris*, a new Species of Gull, from King George's Sound	II,	113
Exhibition of a specimen of the gigantic Petrel, (*Ossifraga gigantea*), captured at Sydney Heads ...	II,	122
Exhibition of a collection of Spiders, and Remarks on a suitable method of mounting them	II,	142
Notes on a collection of Birds from Port Darwin	II,	269
Exhibition of albino specimens of some Australian Birds	III,	14
Exhibition of, and Remarks upon, a specimen of the New Zealand Petrel (*Majaqueus Parkinsoni*) shot near Sydney Heads	III,	21
Exhibition of a new species of *Phyllosoma* from Port Jackson, and of young specimens of *Trachurus trachurus*	III,	413
Exhibition of, and Remarks upon, some Australian Birds	IV,	107
Exhibition of specimens of *Glaucus*, *Porpita*, *Ianthina*, *Physalia*, and *Velella* found on the beach at Manly after a storm	IV,	116
Exhibition of a new *Serranus* and a new *Percis* from Fiji; and the heads of two Malicolo Chiefs...	IV,	244

MASTERS, GEORGE, Curator of the Macleay Museum, Sydney (*continued*).

	Vol.	Page
Exhibition of a specimen of a Cirripede, *Paradolepas Neptuni*, from the gills of a common Port Jackson Crab	IV,	398
Remarks on the effect of heat in hastening the development of insects (*Schizorrhina dorsalis*) ...	IV,	408
Exhibition of a specimen of *Doris* preserved so as to retain the natural colours	IV,	409
Exhibition of, and Remarks upon, specimens of *Heterodontus philippi*, and *H. galeatus*	IV,	471
Exhibition of *Puffinus gavius* and *Arses telescopthalmus*, and of a Monkey from Borneo	V,	49
Exhibition of a wooden Fish-hook from Fiji...	V,	184
Exhibition of a specimen of *Antechinus fuliginosus* with five young ones in the pouch ...	V,	192
Exhibition of an Egg of *Paradisea raggiana* from N. Guinea	IX,	681
Exhibition of, and Remarks upon, a very large specimen of *Ibacus antarcticus* captured at Newcastle	IX,	865
Exhibition of specimens of six very rare Australian Beetles	IX,	946
Exhibition of Aboriginal Weapons from Herbert River, Queensland	X,	76
Exhibition of specimens of two rare Australian Butterflies	X,	187
Exhibition of specimens of *Ornithoptera Brookeana* from Borneo	X,	342

MASTERS, GEORGE, Curator of the Macleay Museum, Sydney (*continued*).

	Vol.	Page
Catalogue of the Described Coleoptera of Australia. Part I.—*Cicindelidæ* and *Carabidæ* ...	X,	359
Catalogue of the Described Coleoptera of Australia. Part II.—*Dysticidæ-Heteroceridæ* ...	X,	583
Exhibition of, and Remarks upon, some Moths bred from Caterpillars found feeding on a Coccus infesting the common *Zamia*	X,	853

MATHEW, GERVASE F., R.N., F.L.S., F.Z.S., F.R.G.S., &c.

Exhibition of, and Remarks upon, two Butterflies (*Papilio Godeffroyi*, Semp., and *P. Schmeltzi*, Herr.) their ova, pupæ and larvæ, from Samoa and Fiji...	IX,	946
Exhibition of a large collection of Lepidoptera from the S.E. Coast of New Guinea	IX,	1206
Rough Notes on the Natural History of the Claremont Islands	X,	251
An Afternoon among the Butterflies of Thursday Island	X,	259

Communication from Professor Agardh concerning the Orthography of the name of Linnæus	VIII,	532
Notes on Hybridism in the Genus *Brachychiton*	IX,	379
Record of an undescribed *Correa* of N. S. Wales	IX.	960
Record of a remarkable *Haloragis* from New South Wales	X,	197
Edible Fruits from the Maclay-Coast, New Guinea (Appendix to a Paper by N. de Miklouho-Maclay)	X,	355

NORTON, Hon. JAMES, M.L.C.

Exhibition of a Fungus from the bark of a Christmas-Tree	VI,	170
Fructification of the Bunya	VI,	727
Notes on the Fructification of the Bunya ...	VIII,	176
Exhibition of a Fossil Coral obtained near Jervis Bay...	VIII,	398
Exhibition of the Nest of *Origma rubricata* ...	VIII,	443
Exhibition of, and Remarks upon, a specimen of Tasmanite	IX,	178
Exhibition of, and Remarks upon, a specimen of Hawkesbury Sandstone perforated by Hymenoptera	IX,	681
Exhibition of, and Remarks upon, Male and Female Cones of *Araucaria Cooki* from trees in Hyde Park...	IX,	1169

NORTON, Hon. JAMES, M.L.C. (*continued*)

	Vol.	Page
Exhibition of specimens of two Varieties of the Weeping Eucalyptus (Ironbark) with differently coloured Flowers	X,	554

OGILBY, J. DOUGLAS, Assistant Zoologist, Australian Museum.

Notes and Descriptions of some rare Port Jackson Fishes	X,	119
Descriptions of new Fishes from Port Jackson	X,	225
Note on *Neoanthias Guentheri*, Casteln. ...	X,	231
Description of a new *Diplocrepis* from Port Jackson	X,	270
Descriptions of three new Fishes from Port Jackson	X,	445
Notes on the Distribution of some Australian Sharks and Rays, with a Description of *Rhinobatus Bougainvillei*, Müll. & Henle	X,	463
Remarks on the *Trachichthys* of Port Jackson...	X,	580
Exhibition of a specimen of *Branchiostoma bassanum*, Günth., dredged off North Head ...	X,	695

OGILBY, J. DOUGLAS-, and E. P. RAMSAY, F.R.S.E., F.L.S., &c.

Descriptions of new or rare Australian Fishes...	X,	575
Description of two new Fishes from Port Jackson	X,	757
Notes from the Australian Museum.—Description of a new *Coris*	X,	851

OLLIFF, A. SIDNEY, F.E.S., Assistant Zoologist, Australian Museum.

	Vol.	Page
Notes on certain Ceylonese Coleoptera (*Clavicornia*) described by the late Mr. Francis Walker	X,	69
A List of the Cucujidae of Australia, with Notes and Descriptions of new Species	X,	203
Exhibition of specimens of Coleoptera collected at high latitudes in South America by Mr. Whymper	X,	342
Exhibition of, and Remarks upon, specimens of a curious Beetle found under the fur of the common Rat in Tasmania	X,	449
Contributions towards a knowledge of the Coleoptera of Australia. No. I—New Species of Carabidæ. No. II—On a new Species of Rhysodidæ...	X,	467
A List of the Trogositidæ of Australia, with Notes and Descriptions of new Species	X,	699
A new Butterfly of the Family Lycaenidæ from the Blue Mountains	X,	716
Remarks on Australian Ptinidæ and Descriptions of new Genera and Species	X,	833

O'SHANESY, P. A., F.L.S.

The Botany of the Springsure District... ...	VI,	730

OWEN, SIR RICHARD, F.R.S.

Letter from, addressed to Mr. Ramsay, containing Observations on Fossil Marsupials, and on the generation of Monotremes	X,	125

PALMER, E. G.

	Vol.	Page
Exhibition of Aboriginal Weapons and Implements from Broad Sound; Potatoes damaged by the Potato Moth, together with the pupæ of the latter; also a branch of a Chinese Pear-Tree with fruits from both the Autumn and Spring flowering	VI,	170
Exhibition of specimens of various Plants attacked by Parasites	X,	189
Exhibition of, and Remarks upon, two Moths of the Family Bombycidæ	X,	248
Exhibition of various Insects; and of Stone Axes from the Blue Mountains	X,	695

PEDLEY, PERCIVAL.

Exhibition of an Embryo of *Hippocampus* ...	VI,	626
Exhibition of specimens of Copper from Mt. Hope and Great Central Copper Mines	VIII,	180
Exhibition of a specimen of what at Cobar is known as "Copper Grass"...	VIII,	386
Exhibition of three specimens of a rare Fish (*Centriscus gracilis*) from Port Jackson	IX,	119
Exhibition of specimens of a Fungus very prevalent on the leaves of Peach Trees in parts of the County of Cumberland	X,	126

PRINCE, HENRY.

Exhibition of specimens of Shells	X,	448
Exhibition of a large number of Volutes ...	X,	853

RAMSAY, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney.

Note on the Egg of *Eclectus polychlorus* ...	V,	191
On a rare Species of Perch from Port Jackson	V,	294
Notes on *Histiophorus gladius*	V,	295
Description of two new Species of Australian Fishes	V,	462
Description of a parasitic *Syngnatus*	V,	494
Exhibition of the Tooth of a Marsupial allied to *Diprotodon*, for which the name *Sceparnodon* is proposed; also of specimens of three Species of Fishes living as "Messmates" with a Holothurian	V,	495
On a new Species of *Regalœcus* from Port Jackson	V,	631
Notes on the Zoology of the Solomon Islands, with descriptions of some new Birds. Part II. ...	VI,	176
Description of a new Labroid Fish of the Genus *Novacula* from Port Jackson	VI,	198
Description of a new Species of *Hemerocœtes* from Port Jackson	VI,	575

RAMSAY, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney (*continued*).

	Vol.	Page
Note on *Oriolus affinis*, Gould	VI,	576
Exhibition of a new Species of *Lygopus* from Nicol Bay	VI,	626
On the Occurrence of *Pseudophycis breviusculus* Rich., in Port Jackson	VI,	717
Description of a new Species of Honey-eater from the S. E. Coast of New Guinea	VI,	718
Notes on the Zoology of the Solomon Islands, with descriptions of some new Birds.—Part III.	VI,	718
Description of a supposed new Species of Rat from the interior of New South Wales	VI,	763
Description of a new Species of *Therapon* from the Macquarie River	VI,	831
Description of two new Birds from the Solomon Islands	VI,	833
Note on the range of *Pycnoptilus floccosus*, Gould, and *Pachycephala olivacea*, V. & H.	VI,	835
Exhibition of Skins of Birds from the Solomon Islands	VI,	837
On a new Species of *Eurystopodus*	VI,	843
Notes on the Zoology of the Solomon Islands. Part IV.	VII,	16
On a new Species of *Mus* from the Island of Ugi, Solomon Group	VII,	43
Contributions to Australian Oology.—Part I....	VII,	45

RAMSAY, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney (*continued*).

	Vol.	Page
Exhibition of Drawings of a new Species of Bat (*Taphozous* sp.?) from New South Wales, and of a Sketch of a restored Jaw of *Thylacoleo carnifex*, Owen	VII,	65
Notes on the Zoology of Lord Howe Island ...	VII,	86
Exhibition of specimens of Silicified Rock with Tertiary Leaves, and Porphyritic Granite from the Richmond River	VII,	91
Notes on *Apogon Guntheri* of Castelnau, and Descriptions of two new Fishes from N.S.W. ...	VII,	110
Description of the Eggs of five Species of Fijian Birds	VII,	112
Exhibition of Fishes ; also of a Skull of a Native from the Dawson River	VII,	134
On a new Species of *Gobiesox* from Tasmania ...	VII,	148
Exhibition of a collection of specimens illustrative of the Fauna of Lord Howe Island	VII,	206
Description of two new Birds from the Solomon Islands	VII,	299
Description of a new Species of *Coris* from Lord Howe Island and New South Wales	VII,	301
Exhibition of, and Remarks upon, the Fruit of a small Species of Cocoanut (*Cocos*) from the Island of Ugi, Solomon Group	VII,	304
Exhibition of (1) a Flint Nodule, and of a specimen of a supposed new Species of *Cocos*, both from the Solomon Islands, (2) Branches of a Eucalypt from Pennant Hills, said to be punctured by the Ovipositor of a *Cicada* ; and (3) a Photograph of *Zeus australis* from Port Jackson ...	VII,	330

RAMSAY, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney (*continued*).

	Vol.	Page
Exhibition of (1) Bracelets cut from Shells from South Sea Islands; (2) a Horned Lizard from America; and (3) Coleoptera from the Dawson River	VII,	347
Note on some Seaweeds from Port Jackson and the adjacent Coast	VII,	402
Description of a new Species of *Solea* from Port Stephens	VII,	406
Contributions to Australian Oology.—Part II...	VII,	406
Exhibition of Rocks and Fossils from Nancarrow's Coal Mines beyond Dubbo; and of Stone Implements from Samoa	VII,	560
Notes on Birds from the Solomon Islands ...	VII,	665
Exhibition of specimens of three Species of *Oligorus*; also of specimens of Mammals, Mollusca, Photographs of Australian and New Guinea Natives, &c., and a collection of Birds from the Solomon Islands	VII,	674
Contributions to the Zoology of New Guinea. Part VII.	VIII,	15
Exhibition of Ethnological specimens from the Admiralty Islands	VIII,	35
Descriptions of some new Australian Fishes ...	VIII,	177
Exhibition of a collection of Marine Organisms mounted at the Naples Zoological Station ...	IX,	254
Exhibition (on behalf of Mr. A. Campbell) of a very rufescent specimen of *Pachycephala rufogularis*, Gld.	IX,	509

RAMSAY, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney (*continued*).

	Vol.	Page
Descriptions of two new Species of Birds from the Austro-Malayan Region	IX,	863
Exhibition of several Birds	IX,	866
Exhibition of, and Remarks upon, a Throwing Stone from the New Hebrides	IX,	1015
Exhibition (on behalf of Mr. E. G. Palmer) of a Native Bees' Nest	IX,	1206
Exhibition of a Phalanx of *Palæorchestes* from Wellington Caves, and of Devonian Fossils from the same district	X,	75
Exhibition of rare Birds from Queensland and New Guinea; also of portion of the Skull of an extinct Marsupial allied to the Wombat	X,	124
Exhibition of Birds Eggs, Birds, an Echinoderm, and a new Bat from various localities; also of Fossils from the Muddy Creek Deposits	X,	189
Contributions to the Zoology of New Guinea. —Notes on Birds from Mount Astrolabe, with Descriptions of two new Species	X,	242
Description of a new Species of *Collyriocincla* from the Scrubs in the vicinity of Cairns, Queensland...	X,	244
Exhibition of a new Ostracode (*Estheria*) from the Clarence River; of Fungi from Mossgiel; and of a Disc-shaped Club of Gold-bearing Quartz from New Guinea	X,	247

	Vol.	Page
Ramsay, E. P., F.R.S.E., F.L.S., &c., Curator of the Australian Museum, Sydney (*continued*).		
Exhibition of (1) a large Sea-Urchin (*Tripneustes angulosus*) from N.S.W.; (2) an Albino Tui or "Parson-Bird" from New Zealand; (3) an Albino Ground-Parrot (*Psephotus hæmalonotus*) from Warren	X,	342
Remarks on a letter received from Sir R. Owen, respecting a new Species of *Thylacoleo*	X,	342
Exhibition of Skins, Nest and Eggs of *Menura Victoriæ*	X,	449
Exhibition of Specimens of *Boltenia australis* from Port Jackson...	X,	553
Exhibition of, and Remarks upon, a number of Fossil Bones from Wellington Caves, N.S.W. ...	X,	761
Ramsay, E. Pierson, F.L.S. Curator of the Australian Museum, Sydney, and Le Comte de Castlenau, Consul Général de France, Melbourne.		
Notes on a collection of Birds from the Norman River, Gulf of Carpentaria, with descriptions of some new species	I,	379
Ramsay, E. P., F.R.S.E., F.L.S., &c., and J. Douglas-Ogilby.		
Descriptions of new or rare Australian Fishes..	X,	575
Description of two new Fishes from Port Jackson	X,	757
Notes from the Australian Museum. Description of a new *Coris*	X,	851

RATTE, FELIX, Ing. des Arts et Manuf. Paris.

	Vol.	Page
Abstract of "Notes on the Tuena Gold Reefs"	VIII,	179
Exhibition of, and Remarks upon, Cretaceous and Neocomian Fossils from New Caledonia ...	IX,	681
Exhibition of, and Remarks upon, Calcareous Shells fabricated by Insects	IX,	682
On *Tribrachyocrinus corrugatus*, spec. nov. from the Carboniferous Sandstone of New South Wales	IX,	1158
On the Larvæ and Larva-cases of some Australian *Aphrophoridæ*	IX,	1164
On a Devonian Fossil allied to *Worthenia*, De Koninck, from New South Wales	X,	79
Exhibition of Fossils and Drawings of Fossils from New South Wales, and New Caledonia ...	X,	123
Note giving the references to some figures accidentally omitted from his Paper "On a Devonian Fossil allied to *Worthenia*"	X,	343
On some remarkable Crystals of Siderite ...	X,	759

READ, REGINALD BLIGH, M.R.C.S.

Lepidoptera having the Antlia terminal in a Teretron or Borer	III,	150
On *Doris arbutus*, Angas	IV,	291
Exhibition of the Proboscis of the Brazilian Sphinx (*Macrosilia cluentius*)	IV,	398

ROSSITER, RICHARD C., Corr. Mem. Linn. Soc. N.S.W.

	VOL.	PAGE
A List of the Cypræidæ found on the Ccast of New Caledonia and Loyalty Islands	VI,	817
New Variety of *Ovulum depressum* found at Lifou	VII,	323

SANGER, E. B., Corr. Mem. Linn. Soc. N.S.W.

On a Molar Tooth of *Zeuglodon* from the Tertiary Beds on the Murray River near Wellington, S. A.	V,	298

SCHUETTE, Dr.

Exhibition of a Plaster Cast of an impression of a Fossil previously exhibited by Mr. De Vis ...	VIII,	298

SELKIRK, Henry.

Exhibition of various Fossils and Mounted Ferns from New South Wales	VI,	789
Exhibition of a Stone Axe from the Kurrajong	VII,	134

SCORTECHINI, REV. B., L.L.B.

Contribution to a South Queensland Flora ...	VI,	157
Half-Century of Plants new to South Queensland	VII,	213
Contributions to the Flora of Queensland ...	VIII,	168
A Second Half-Century of Plants new to South Queensland	VIII,	242

STEPHENS, Professor W. J., M.A., F.G S.

	Vol.	Page
Presidential Address (January 28th, 1878) ...	II,	379
Remarks calling attention to the Rev. T. V. Alkin's Efforts to popularise the Study of Australian Botany	III,	160
Presidential Address (January, 1879)	III,	414
Exhibition of Trilobites from the Yass Beds ...	IV,	409
Note on a Block of Shale from the Hawkesbury Sandstone	V,	182
Note on a Japanese Drawing of an *Octopus* ...	V,	183
Exhibition of Fossils from the Namoi and from Campbelltown	V,	300
Exhibition of Fossil Leaves from a Tertiary Deposit near Newstead	VI,	581
Exhibition of two Species of Fossil Land Shells from Kent's Group, Bass' Straits	VII,	91
Exhibition of, and Remarks upon, specimens of a lost *Eucalyptus* (*E. cordata*), recently rediscovered near Hobart	VII,	303
Exhibition of, and Remarks upon, a collection of Rocks and Fossils illustrating the Structure of the Western Coal Fields	VII,	402
Notes on the Geology of the Western Coalfield. Part I.—Capertee	VII,	548
Exhibition of specimens of Rocks and Fossils from the Western Coal-Fields, and of Fossils from near Yass, and from near Tumut	VII,	560

STEPHENS, Professor W. J., M.A., F.G.S. (*continued*).

	Vol.	Page
Notes on the Geology of the Western Coalfield. Part II.—Capertee (*continued*)	VII,	598
Remarks on a Fossil Fish from Devonian strata, near Yass	VIII,	217
Exhibition of, and Remarks upon, a Pebble from Casino, containing an included drop of liquid ...	VIII,	219
Exhibition of specimens of Fossils and Minerals from "Sturt's Stony Desert"	VIII,	281
Exhibition of specimens and drawings of a rare Fungus from Springwood	VIII,	281
Exhibition (on behalf of Mr. Anderson) of, and Remarks upon, Fossil Leaves and Fresh-water Molluscs (*Unio*) from Inverell	VIII,	297
Remarks on a living specimen of *Trachydosaurus*, and the account of it given in Dampier's "Voyage" (1699)	VIII,	387
Exhibition of, and Remarks upon, a number of Rock specimens from New South Wales	VIII,	388
Exhibition of, and Remarks upon, specimens of the Conglomerate and Pebbles forming the Hills in the Narran District known as Murillas ...	VIII,	389
Exhibition of, and Remarks upon, a living specimen of the New Zealand *Hatteria*	VIII,	396
Exhibition of specimens of Pennatulidæ from British Columbia	VIII,	397
Notes on the Geology of the Southern Portion of the Clarence River Basin	VIII,	519

Stephens, Professor W. J., M.A., F.G.S. (*continued*).

	Vol.	Page
Exhibition of a named Collection of New Zealand Mosses presented to the Society by Dr. Knight	IX,	1016
Exhibition of, and Remarks upon, "Pug" from the Caledonian Claim, Gulgong	X,	62
Exhibition of an Orange in which the seeds germinated within the fruit while still attached to the tree	X,	76
Exhibition of a specimen of *Glossopteris Browniana* in a Pebble of the Hawkesbury Drift ...	X,	279
Remarks calling attention to Mr. Saville Kent's Report on Tasmanian Fisheries	X,	554
Presidential Address (January 26th, 1886) ...	X,	855

Tate, Professor Ralph, A.L.S., F.G.S., Corr. Mem. Linn. Soc. N.S.W., &c.

Descriptions of three new Species of *Helix* from S. Australia	II,	290
Rectification of the Nomenclature of *Purpura anomala*, Angas	V,	131
On Menke's Australian Shells	VI,	387
Description of a new Species of Australian *Amplexa*	VI,	409

Tate, Professor, and John Brazier, C.M.Z.S., &c.

Check-List of the Fresh-water Shells of Australia	VI,	552

TEITKINS, W.

	Vol.	Page
Letter to the President (Rev. J. Tenison-Woods, F.G.S.) in reference to his Exploration of the Bunda Plateau, north of the Australian Bight...	V,	280

TREBECK, P. N.

Exhibition of the Claw of a Crab *(Pseudocarcinus gigas)* from Lane Cove	VIII,	297
On the Improvements effected by the Australian Climate, Soil, and Culture on the Merino Sheep...	IX,	173
Exhibition of two samples of Wool from the same Sheep, showing great differences due to change of climate, soil, &c.	IX,	865
Exhibition of, and Remarks upon, two samples of Wool from the same Ram while in Victoria and afterwards in Mudgee	IX,	1015
Exhibition of Fungi from Fiji; and of fossiliferous Tertiary limestone from Eucla, W.A. ...	X,	341

TURNER, Right Rev. Dr., Bishop of Grafton and Armidale.

Letter from, to Mr. C. S. Wilkinson, respecting a Custom prevalent among the Armidale Blacks...	X,	188

WHITTELL, H. RAWES.

Exhibition of collections of Insects and Birds' Eggs from the Albert and Darling Districts ...	VI,	169
On some Habits of *Pelopæus lætus*, and a Species of *Larrada*	VIII,	29

WHITTELL, H., RAWES (*continued*).

	Vol.	Page
On the Voracity of a Species of *Heterostoma* ...	VIII,	33
Exhibition of flowers of *Tacsonia Exonensis* showing the way in which the honey is extracted by the Spine-billed Honey-eater	VIII,	397
Exhibition of specimens of a Caterpillar from Mt. Wingen	VIII,	417
Exhibition of, and Note on, a flowering specimen of *Swainsonia Greyana*	IX,	179
Exhibition of specimens of a Beetle (*Lagria rufescens*) destructive to fruit in the Ryde district	IX,	180

WILKINSON, C. S., F. L. S., F. G. S., Government Geologist, Sydney.

Notes on a collection of Geological specimens collected by William Macleay, Esq., F.L.S., President of the New South Wales Linnean Society, Sydney, from the Coasts of New Guinea, Cape York, and neighbouring Islands	I,	113
Notes on the Abercrombie Caves	IV,	460
Notes on the occurrence of Artesian Wells in the Albert District, New South Wales	VI,	155
Exhibition of specimens of a Species of *Phasma* found at the Fish River Caves	VI,	408
Exhibition of specimens of Fossil Insects from the tin-bearing deep leads of New England ...	VIII,	398
Notes on some Customs of the Aborigines of the Albert District, New South Wales	VIII,	436

WILKINSON, C. S., F.L.S., F.G.S., &c. (*continued*).

	Vol.	Page
Exhibition of a specimen of *Echinus* from Lord Howe Island	VIII,	534
Presidential Address (January 28th, 1885) ...	VIII,	535
Exhibition of specimens of the "Paper Nautilus" from Lord Howe Island	IX,	178
Announcement of, and Remarks upon, an Offer of a Prize of £100 for an Essay "On the Life-History of the Bacillus of Typhoid Fever" ...	IX,	180
Exhibition of, and Remarks upon, portion of the Lower Jaw of *Diprotodon*, found near Armidale	IX,	254
Exhibition of Tertiary fossiliferous Limestone from S.A.; samples of diamond-drill cores from Hergott, S.A.; and of a Curious Shoe obtained from Natives in Central Australia	IX,	865
Exhibition of Lead and Silver Ores from the Barrier Ranges	IX,	946
Exhibition of specimens of the shell-like covering of a Species of *Phryganea* from New Caledonia; and of a lithograph of a new Tasmanian fossil Plant	IX,	1169
Presidential Address (28th January, 1885) ...	IX,	1207
Exhibition of Fossil Bones from Lord Howe Island; also of Specimens of Oyster Shells obtained in sinking a shaft at Bullock Island, near Newcastle	X,	75
Exhibition of, and Remarks upon, a Collection of recent Shells obtained in sinking through estuarine deposits near Newcastle	X,	245

WILKINSON, C. S., F.L.S., F.G.S., &c. (*continued*).

	Vol.	Page
Exhibition of, and Remarks upon, a Collection of Grasses and other Plants from the Albert District	X,	246
Exhibition of a remarkable Fish from Lord Howe Island; of *Dolium variegatum* from the same Island; also of a Seed-pod of *Cassia fistula* from the Solomon Islands...	X,	696

WHITELEGGE, THOMAS.

Exhibition of living specimens of *Plumatella repens* from the Botany Swamps; and of dried specimens of *Nitella gelatinosa* from Randwick ...	VIII,	281
Exhibition of specimens of *Plumatella repens*, and of a Fresh-water Sponge, both from Moore Park	VIII,	297
Exhibition of a specimen of *Fredericella* (apparently *F. sultana*, Blum.) not previously noticed in N. S. W....	VIII,	416
Exhibition of a new *Plumatella*-like Organism from Moore Park	VIII,	465
Exhibition of Slides of various Fossil Plants ...	IX,	178
Exhibition of Slides of Fossil Ferns from the Hawkesbury and Wianamatta formations ...	X,	62
Exhibition of a collection of Australian Mosses	X,	248
Exhibition of, and Remarks on, Water-Insects (*Notonecta*) with small Molluscs attached to their legs; also of Fresh-water Polyzoa killed with extended tentacles	X,	760

WHITELEGGE, THOMAS (*continued*).

	Vol.	Page
Exhibition of specimens of a Fresh-water Hydroid Zoophyte (*Cordylophora*) from Parramatta	X,	854

WILLIAMS, W. D. C., M.R.C.S.

Exhibition of a Walrus bone ; also of a collection of Weapons from Zulu Land	VII,	303
Exhibition of a collection of Weapons from the Soudan	X,	448

WOODS, Rev. JULIAN E. TENISON-, F.L.S., F.G.S., &c.

Observations on the Genus *Risella*	I,	242
On some Australian Species of *Trochocochlea*	II,	89
On a new Species of *Neœra*	II,	123
On a Variety of *Trigonia Lamarckii*	II,	125
On a Tertiary Formation at New Guinea ...	II,	125
The Echini of Australia (including those of the 'Chevert' Expedition)	II,	145
On some Australian Shells described by Dr. A. Gould	II,	250
On some new Marine Shells	II,	262
On some Tertiary Fossils from New Guinea ...	II,	267
On the Extra-tropical Corals of Australia ...	II,	292
On the Echini of Australia.—Supplemental note to the Paper on the above Subject	II,	342
On an Australian Variety of *Neritina pulligera*, Linn.	III,	3

Woods, Rev. Julian E. Tenison-, F.L.S., F.G.S. (*continued*).

	Vol.	Page
On a new Genus of *Milleporidæ*	III,	6
On a new Species of *Psammoseris*	III,	8
On a new Species of *Desmophyllum* (*D. quinarium*) and a young Stage of *Cycloseris sinensis* ...	III,	17
Exhibition of Seeds of various Eucalypts ...	III,	20
On some Australian *Littorinidæ*	III,	55
On *Bulimus Dufresnii*	III,	81
On three new Genera and one new Species of Madreporaria Corals	III,	92
On two new Species of Land Shells	III,	123
On a new Genus of Polyzoa	III,	126
On some Corals from Darnley Island	III,	128
On some new Extra-tropical Corals	III,	131
On some Fresh-water Shells from New Zealand	III,	135
On some Tertiary Fossils from Muddy Creek, Western Victoria	III,	222
On some Tertiary Fossils	IV,	1
On some new Marine Shells	IV,	21
On some Fresh-water Shells from New Guinea	IV,	24
On Some new Marine Shells from Moreton Bay	IV,	108
On *Araujа albens*, Don....	IV,	111
On the Relations of the Brisbane Flora ...	IV,	117
On some new Australian Echini	IV,	282

Woods, Rev. Julian E. Tenison, F.L.S, F.G.S. (*continued*).

	Vol.	Page
On *Heteropsammia Michelinii*, of Edwards and Haime	IV,	293
On a new Species of *Distichopora*	IV,	301
Note on *Euktiminaria ducalis*	IV,	310
On some Fossils from Levuka, Viti	IV,	358
On some Post-Tertiary Fossils from New Caledonia	IV,	360
Presidential Address (January 28th, 1880) ...	IV,	471
On some of the littoral Marine Fauna of N. E. Australia	V,	106
Exhibition of a specimen of *Cassis Achatina* from Bass' Straits	V,	184
On a Fossiliferous Bed at the mouth of the Endeavour River	V,	187
On the Habits of some Australian Echini ...	V,	193
Résumé of a Report on the Fossil (Tertiary) Radiata of New Zealand	V,	282
Exhibition of a Dolomite Core chipped by Aboriginals for Spear-points	V,	286
On a new Species of *Flabellum*...	V,	301
On a new Species of *Diaseris*	V,	459
On a young specimen of a *Temnopleurus* ...	V,	493
Presidential Address (January 27th, 1881) ...	V,	638
Botanical Notes on Queensland.—No. I. ...	VII,	76

Woods, Rev. Julian E. Tenison-, F.L.S., F.G.S. (*continued*).

	Vol.	Page
On a new Species of *Stomopneustes*, and a new Variety of *Hipponoe variegata*	VII,	93
On various Deposits of Fossil Plants in Queensland...	VII,	95
Botanical Notes on Queensland.—No. II. The Tropics	VII,	136
Exhibition of rare *Bryozoa* from New Caledonia	VII,	206
On a new Species of *Allopora*	VII,	207
Botanical Notes on Queensland.—No. III. ...	VII,	305
Botanical Notes on Queensland.—No. IV. ...	VII,	331
On a Coal Plant from Queensland	VII,	342
Exhibition of, and Remarks on, Fossils from West Maitland, and Ipswich; also of a specimen of a Sertularian Hydroid	VII,	347
Physical Structure and Geology of Australia ...	VII,	371
On a large Mesozoic *Mytilus* from the Barcoo...	VII,	389
Botanical Notes on Queensland.—No. V. ...	VII,	565
Remarks upon a specimen of Coral from Port Jackson	VII,	612
On a Species of *Brachyphyllum* from Mesozoic Coal Beds, Ipswich, Queensland	VII,	659
On the Fossil Flora of the Coal Deposits of Australia	VIII,	37
Remarks on a collection of Cretaceous Fossils exhibited by Mr. Gilliatt	VIII,	218

Woods, Rev. Julian E. Tenison-, F.L.S., F.G.S. (*continued*).

	Vol.	Page
On some Mesozoic Fossils from Central Australia	VIII,	235
Letter to Hon. W. Macleay giving an account of his Travels in Perak	IX,	383
Report on the Geology and Physical Geography of the State of Perak	IX,	1175

Woods, Rev. J. E. Tenison-, F.L.S., F.G.S., &c., and F. M. Bailey, F.L.S., &c.

A Census of the Flora of Brisbane	IV,	137
On some of the Fungi of New South Wales and Queensland...	V,	50

Woods, T. A. Tenison-.

Exhibition of a Photograph which had been converted into a Negative	III,	305
Exhibition of a specimen of *Turbinaria crater* from Torres Straits	IV,	244
Exhibition of specimens of Pituri (*Duboisia Hopwoodi*), and of *D. myoporoides*, and the extract obtained from the latter	IV,	292
Exhibition of, and Remarks upon, Copies of Aboriginal Drawings	VII,	329
Exhibition of an Idol from Savu... VII, 612, and	VII,	674
Exhibition of Ethnological specimens	X,	62

Woolls, Rev. William, Ph.D., F.L.S.

	Vol.	Page
Eucalypts of the County of Cumberland; their Classification, Habitat, and Uses.—Part I. ...	V,	288
Eucalypts of the County of Cumberland; their Classification, Habitat, and Uses.—Part II. ...	V,	448
Eucalypts of the County of Cumberland; their Classification, Habitat, and Uses.—Part III. ...	V,	463
Eucalypts of the County of Cumberland; their Classification, Habitat, and Uses.—Part IV. ...	V,	488
Eucalypts of the County of Cumberland; their Classification, Habitat, and Uses.—Part V. ...	V,	503
Gesneraceæ of Australia...	VI,	148
On the Plants of New South Wales.—No. I....	VI,	569
On the Plants of New South Wales.—No. II...	VI,	582
On the Plants of New South Wales.—No. III.	VI,	706
On the Plants of New South Wales.—No. IV.	VI,	712
Note on *Palmeria* of the Monimiaceæ... ...	VI,	745
Species of *Alsophila* in New South Wales ...	VI,	745
On the Plants of New South Wales.—No. V....	VI,	765
Popular Nomenclature	VI,	770
On the Plants of New South Wales.—No. VI.	VI,	814
On the Plants of New South Wales.—No. VII.	VI,	838
On the Plants of New South Wales.—No. VIII.	VII,	71

Woods, Rev. W., Ph.D., F.L.S. (*continued*).

	Vol.	Page
On the Forage Plants indigenous in New South Wales	VII,	310
Note on a Species of Grass (*Panicum spectabile*)	VII,	348
Species of Eucalypts first known in Europe ...	VII,	621
Plants which have become Naturalized in New South Wales	IX,	185
On the *Myrtaceæ* of Australia	IX,	643
The *Proteaceæ* of Australia	X,	54
Double Flowers	X,	455

LIST

OF THE

NAMES OF CONTRIBUTORS

TO THE

FIRST SERIES

(VOLS. I.-X.)

OF THE

PROCEEDINGS OF THE LINNEAN SOCIETY

OF

NEW SOUTH WALES

(FROM 1875 TO 1885),

WITH THE TITLES OF, AND REFERENCES TO, THE PAPERS AND EXHIBITS CONTRIBUTED BY EACH.

SYDNEY:
PRINTED AND PUBLISHED FOR THE SOCIETY
BY
F. CUNNINGHAME & CO., STEAM PRINTERS, 146 PITT STREET.
1887.

CORRIGENDA.

Page 27, line 10 from the top, *for* Historical *read* Histological.

Mr. Whitelegge's name is misplaced ; it should have preceded all the other names commencing with W.

NOTICE.

With the exception of Volumes I.-VI. of the Proceedings—of which the Society's stock was totally destroyed in the Garden Palace Fire—the Publications of the Linnean Society of N.S.W. may be obtained at the Society's Hall, Ithaca Road, Elizabeth Bay, Sydney, at the following prices :—

	£	s.	d.
Vol. VII. Containing Proceedings for 1882, Part 1	0	7	6
,, ,, ,, ,, Part 2	0	10	0
,, ,, ,, ,, Part 3	0	5	0
,, ,, ,, ,, Part 4	0	10	0
Vol. VIII. Containing Proceedings for 1883, Part 1	0	10	0
,, ,, ,, ,, Part 2	0	5	0
,, ,, ,, ,, Part 3	0	7	0
,, ,, ,, ,, Part 4	0	8	0
Vol. IX. Containing Proceedings for 1884, Part 1	0	8	0
,, ,, ,, ,, Part 2	0	12	0
,, ,, ,, ,, Part 3	1	5	0
,, ,, ,, ,, Part 4	1	5	0
Vol. X. Containing Proceedings for 1885, Part 1	0	12	0
,, ,, ,, ,, Part 2	0	7	6
,, ,, ,, ,, Part 3	0	15	0
,, ,, ,, ,, Part 4	0	17	6
Vol. I. (Second Ser.) Containing Proceedings for 1886, Part 1	0	10	6
,, ,, ,, ,, ,, Part 2	0	12	0
,, ,, ,, ,, ,, Part 3	0	13	0
,, ,, ,, ,, ,, Part 4	0	12	6
Vol. II. (Second Ser.) Containing Proceedings for 1887, Part 1	0	7	0
,, ,, ,, ,, ,, Part 2	0	8	0
,, ,, ,, ,, ,, Part 3	0	12	0

A reduction of 20 per cent. on the above charges is made to Members of the Society.

Copies of Vol. II. of the Transactions of the Entomological Society of New South Wales are also obtainable, price fifteen shillings.
